

RECYCLING HAS NEVER BEEN EASIER

Enroll now to have recycling collected
each week...*at your curb!*

The City of Chattanooga in Partnership with the Orange Grove Center is pleased to announce changes in the City's Curbside Residential Recycling Program

• • • EFFECTIVE IMMEDIATELY • • •

The City is offering a free curbside residential recycling collection enrollment program.
If you want to continue or begin curbside residential recycling collection,

CALL 311 — *or* — sign up on-line at chattanooga.gov

Enrollment Deadline: May 1, 2005

Follow the recycling instructions on the back of this letter. Place all of your recyclable material in blue or translucent bags. Set your materials out on your scheduled collection day.

• • • IMPORTANT CHANGES • • • TO THE PROGRAM

All authorized recyclable material may be placed in the same bag for collection

We will no longer collect glass bottles or containers

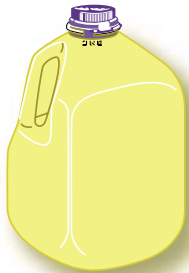

Glass may be taken to the recycle drop center at Warner Park (1250 E. 3rd Street)

This program provides critical job training for Orange Grove clients. Recycling also saves space in our landfill, allows the release of critical resources and contributes to the preservation of our environment.

NO GLASS
